

Health & Safety Policy

AUTOGLAZE Ltd is committed to ensuring the health, safety and welfare of employees, customers and anyone else affected by our business activities.

The company recognises the legal duties it is bound by to provide a safe working environment, safe work equipment and safe methods of work.

We shall ensure compliance with all relevant current and future health & safety legislation and regulations. We will also take action to continually improve our performance.

Our statement of general policy is to:

- provide adequate control of the health and safety risks arising from our work activities
- consult with our employees on matters affecting their health and safety
- provide and maintain safe plant and equipment
- ensure safe handling and use of substances
- provide information, instruction and supervision for employees
- ensure all employees are competent to do their tasks, and to give them adequate training
- prevent accidents and cases of work-related ill health
- maintain safe and healthy working conditions; and
- review and revise this policy and its effectiveness on an annual basis.
